TOONAMI

Anime action comes to CN

First there was Dragonball Z, then Tenchi Muyo and now Gundam Wing. The Toonami slot on Cartoon Network's going from strength to strength, providing the very best of Anime adventure for viewers - but where do the shows come from and just what is Anime? Here's your chance to find out!

COMICS UNLEASHED!

Anime is the name given to Japanese animated shows. Many stem from Manga comic strips, which are massive in Japan - some selling billions of copies!

Manga comics are different to the ones we know and love. Many are black and white with stories stretching over thousands of pages.

One of the most successful was Akira, by Katsuhiro Otomo, which was the first Manga-based film to achieve huge success in Britain and America.

Manga and Anime creators are as big as pop-stars in Japan and earn as much, if not more, money!

DRAGONBALL Z

THE STORY

When 14-year old Son Goku learns the truth about a Dragonball given to him by his grandfather, he goes on a quest with Bulma to find the other magic balls. Whoever gains them all will be able to summon a dragon who will grant one wish!

IT'S A FACT

The Manga has been published for over 10 years in Japan and the show is one of the most successful of all time, with spin-offs in figures, cards, videos and just about everything else!

DID YOU KNOW?

It was created by Toriyama Akira and in his original sketches for the story, Son Goku not only had a tail, but was a full-on monkey!

TENCHI MUYO

THE STORY

When high school student Tenchi releases a marooned space-pirate called Ryoko from his Grandfather's shrine, he finds himself hurled into a life of intergalactic adventure - and surrounded by dangerous alien women all competing for his attention!

IT'S A FACT

Tenchi Muyo was created by Hitoshi Okuda.

DID YOU KNOW?

The Manga version of Tenchi Muyo is called No Need For Tenchi.

GUNDAM WING

THE STORY

Centuries in the future, Earth is surrounded by colonies of people living on vast space stations. Oppressed by the Earth government and the secret organisation known only as 'Oz', the people are kept in line by vicious machines known as mobile suits. When five young soldiers get hold of highly advanced mobile suits, they use them to take on the Earth government and try to free their fellow colonists.

IT'S A FACT

The first Gundam Wing show was shown in Japan over twenty years ago. Since then there have been 9 television series, 8 movies, 4 original series and endless novels and manga based on the show!

DID YOU KNOW?

There have been books released explaining how the technology of the mobile suits work and also providing information about the colonies!

TENCHI MUYO IS ON WEEKDAYS AT 4.30pm FROM THE 5th FEBRUARY

GUNDAM WING IS PLAYING WEEKDAYS AT 5.30pm

DRAGONBALL Z IS ON 5.00pm WEEKDAYS, 11.00 WEEKENDS & 9pm EVERY NIGHT

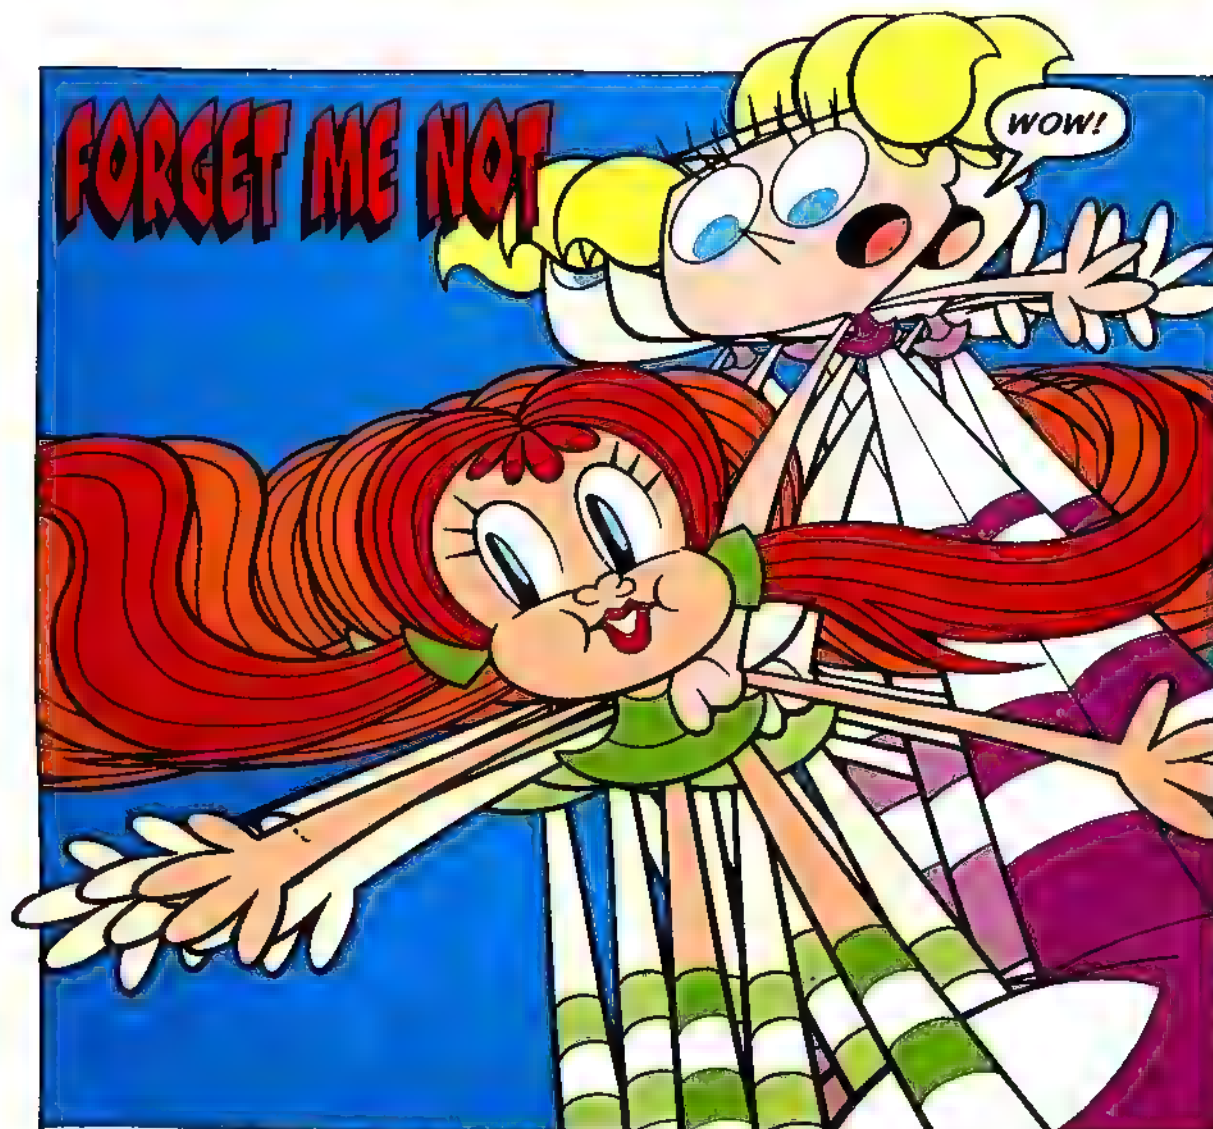

WIN!

Now we've wet your appetite, here's the chance to win a whole grab bag of Toonami goodies. There are 5 to be won and each includes 2 Manga collections and 3 action figures based on the Toonami series. To stand a chance of winning one, just answer the following question:

Who hosts the Toonami segment of Cartoon Network?

Mark your entry Terrific Toonami and send it to the address on page 3.

READERS' ART AND LETTERS

DEAR POWERPUFF GIRLS,

I just want to know how you do it - fighting crime all day and going to school and doing all your homework. I'm tired just thinking about it.

JENNY BARNES OF MIDDLESEX.

Thanks for the kind words. The Girls wanted to reply but dozed off. They've been fighting Mojo Jojo all day and the Professor made them have an early night. If it wasn't for Chemical X though, they'd be really tired!

DEAR DEE DEE,

Why don't you dump your brother and find another mad scientist that appreciates everything you have to offer?

MANDARK FROM HIS SECRET LAB.

Sorry, Mandark. Dexter is my brother and I love him - even if he seems to like his stupid lab more than me!

DEAR COW,

I don't think you should stand for Chicken picking on you all the time. Why don't you stand on him? When he's all squashed, he'd know who's boss!

CIARA MULVANEY FROM DUBLIN.

I'm afraid the thought of hurting Chicken has sent Cow into a tearful wreck and she has run off to check her brother's okay!
